Alti Uno		
		
PCB without components	2	2,62
PCB + attiny 85 programmed	5	6,55
complete kit except pressure sensor	11	14,41
complete kit	14	18,34
Kit already assembled and tested	16	20,96

Alti Duo Mini		
		
PCB without components	2,5	3,275
PCB + attiny 84 programmed	6,5	8,515
complete kit except pressure sensor	13	17,03
complete kit	16	20,96
Kit already assembled and tested	18	23,58
complete Kit with smaller transistors	18	23,58

Alti Duo		
		
PCB without components	3	3,93
PCB + atmega 328 programmed	6	7,86
complete kit except pressure sensor	12	15,72
complete kit	15	19,65
USB interface	3	3,93
Kit already assembled and tested	17	22,27

Flight Data logger		
		
PCB without components	3,5	4,585
PCB + atmega 328 programmed	6,5	8,515
complete kit except pressure sensor	20	26,2
complete kit	25	32,75
USB interface cable		
		
	6	7,86
Kit already assembled and tested	30	39,3

Misc		
		
USB interface	3	3,93

		
AVR programmer	3,5	4,585
		
attiny 84/85 programmer adaptor PCB only	3	3,93
attiny 84/85 programmer adaptor	5	6,55
attiny 84/85 programmer adaptor +ZiF socket	7	9,17
		
atmega 328 programmer adaptor PCB only	3	3,93
atmega 328 programmer adaptor	5	6,55
atmega 328 programmer adaptor + ZiF socket	7	9,17
		
2.5 mm screw and spacer (4 of each)	1	1,31
